Beavertown Journal

From the Desk of Mayor David Runfeldt

Last month we witnessed some of the worst flooding in our town. Events such as this put a community to a test. As high as the flood waters may have risen, I feel that we as a community have risen even higher. The amount of concern, care, support and positive attitude from the vast majority of town was evident throughout the storm and its aftermath. While we must all reflect on the damage done and the disruption to our friends and neighbor's lives, there is much we must be thankful for. Most importantly is the fact that in an emergency which affected nearly 600 homes in town, many times that number of residents and a response from over 200 emergency personnel, we had no loss of life or even a major injury.

I would like to take a moment to let you know of some individuals and groups that deserve recognition for their efforts.

Our OEM staff was putting things into motion the day before the storm hit. Operations expanded over the next few days to involve members of our CERT team, shelter operations and emergency hotline phones.

Our PD was busy handling the effects of Saturday's high winds, initial resident phone calls and road closures as the flooding began.

Our Fire Department ran emergency operations for over 60 straight hours handling evacuations from over 150 homes taking out over 200 individuals. In addition to the evacuations, LP responded to a house fire on the Wayne side of the Pompton River which Wayne was unable to respond to. The FD was supported by members of the Lincoln Park EMS who ran every call with the FD along with medical calls of their own. The Ladies Auxiliary of Hose Company #2 spent many hours serving food and refreshments for the members of HC2.

I would like to thank the Morris County Fire Coordinators and following Fire Departments for sending crews to cover our town for fires while our own bravest were handling water operations: Mountain Lakes, Mt. Tabor, Parsippany, Boonton, Schooly's Mountain, Boonton Township, Mt Arlington, Budd Lake, Mt. Olive Township, Brookside, Mendham Township, Morris Plains, Chatham Borough, Butler, Madison, Flanders, and Lake Hiawatha.

202 Bistro, A&A Fine Foods and The Lincoln Park American Legion helped to feed all of the volunteers from OEM, CERT, Fire, First Aid and the many other volunteers we had in town.

Shop-Rite of Lincoln Park donated much of the water and bleach which was distributed to and delivered to residents following the flood.

There were a tremendous amount of property owners that allowed our Emergency Services to stage equipment and apparatus on their property. Wolfson's Market and Maggie Moore's were two of the more used properties for this purpose.

Our CERT team along with members of Jacksonville Chapel and the Lincoln Park Girls Scouts walked the flooded neighborhoods on Saturday handing out important information to residents.

I would also like to thank the members of the Borough Council who were very present during this emergency. Many of them took an active role in OEM meetings and spent time in the areas affected by flooding or visiting with our emergency service personnel.

I would like to thank the many residents who have made the inquiry and the offer of help to our neighbors.

I am sure there may be others who made special efforts during the event that I may have omitted, please know that your efforts are appreciated.

I can not say enough about how great the attitude was of nearly everyone I came in contact with during the week. Even in the face of destruction and much personal loss, there was a great, positive feeling present throughout much of the town...that is what a great community does and that is what a great community we are! If anyone saw Lincoln Park resident Chris Britton interviewed on ABC news earlier in the week, when asked when he would leave because of the floods...Chris answered simply..."This is my home."

Police News

With Spring nearly here, more of us will be out on the roadways enjoying the warmer weather. I think it would be a great opportunity to remind everyone of the current seat belt laws that are in place in New Jersey.

N.J.S. 39:4-76.2f applies to all passenger vehicles including vans, pickup trucks and SUV's, that are required to be equipped with seat belts.

The law also applies to all passengers, who are at least 8 years of age but less than 18 years of age, and each driver and front seat passenger of a passenger automobile, operated on a street or highway. All of these occupants are required to wear a properly adjusted and fastened seat belt system.

On January 18, 2010, legislation was signed into law requiring all occupants to buckle up, regardless of their seating position in a vehicle. A secondary offense, the new law allows police to issue summonses to unbuckled back seat occupants, 18 years of age and older, when the vehicle they are riding in is stopped for another violation. The law is effective immediately.

The revised law makes the driver responsible for proper seat belt use by all occupants who are under the age of 18.

I ask that you please take a few extra minutes of your time to make sure that all occupants in the vehicle are buckled.

As always, if anyone should have any issues or concerns please feel free to contact me. I can be reached by calling the Police desk at 973-694-5533, or by email: tandrasc@bolp.org.

<https://register.communitypass.net/reg/>

COMMUNITY LAKE: The Community Lake is scheduled to open Memorial Day Weekend. Please visit the Recreation Web-Page for details and more info. **AN IMPORTANT NOTE ABOUT THE INCREASE IN LAKE FEES:** there is an increase in membership fees this season from \$35 to \$50 per family. An increase was proposed in early 2009, the increase was approved and added to the Fee Ordinance which was adopted and finally became effective on August 9, 2009, but since it was so late in the season, the increase was put on hold until 2010, unfortunately, the media did not explain the background on the fee increase.

Donations to the Recreation Department: I would personally like to thank the Lincoln Park resident, that wishes to remain anonymous, who graciously donated the funds for the tennis courts improvements as well as the funds for the water toys, (paddleboats, kayaks, water trampoline and life vests), that were purchased last year. The improvements to the tennis courts were well-overdue and I have received many wonderful compliments from tennis players and how thrilled they are to play on the new surface. Surprisingly, I have received even more compliments from residents that do not play tennis that have commented on the new appearance. The water toys have been enjoyed by everyone that visited the Lake in 2009, and even brought some new members to the Lake that saw the new equipment and just had to come

and see what else was new at the Lake.

Basketball: The Lincoln Park league for basketball had its annual championships on Saturday March 13, 2010. With leagues ranging from 2nd grade through 8th grade the Lincoln Park basketball program had over 300 boys and girls participate this year. The Kindergarten and 1st grades finished their season the week of March 8th as well.

The Lincoln Park Lightning boys and girls travel teams finished successful 2010 campaigns being extremely competitive in their respective leagues. The boys 8th grade advanced to the semi finals by defeating Totowa before succumbing to Nutley in a hard fought game.

The Lincoln Park 7th and 8th grade girls made the playoffs in the highly competitive Northwest Bergen League, with the 7th grade making the final four in their league and falling to a tough St. Annes team on March 10 in the semi finals.

The 8th grade Lightning girls won their semi final game at PAL March 12, by beating Midland Park and advanced to the championship game for the second year in a row. Unfortunately they fell short and lost to Wayne PAL but had a successful 14-3 season.

Travel Softball: The Lincoln Park Angels Travel Softball Program's Fourth Annual Spring Fever Softball Tournament is completely booked! This year we have many local teams, as well as teams traveling to us from Long Island, Staten Island, The Bronx and South Jersey; some of whom have played here before, and others who will be coming to Lincoln Park for the first time. Each year this event continues to be one of most recommended tournaments for travel softball teams and the Angels plan to show them all just how special it is to be from Lincoln Park.

The dates for the tournament are April 16th and 17, with a rain date of April 18th. Play will take place during both days at Borough and Lanes fields. All of the details can be found at the online home of the Angels at www.lpangels.com.

With the growth of this tournament, our need for help has also grown. If you can spare an hour or two to help support PAL sports programs, please come down and pitch in. We need setup/cleanup crews, field crews, food stand volunteers, announcers, scorekeepers, and general support personnel. If you'd like to help, please contact our Volunteer Coordinator, James Dolan, at CoachJames@LPAngels.com. Any other questions regarding the tournament can be answered by our Tournament Director, Sal D'Ambrosia, who can be contacted at CoachSal@LPAngels.com. Seeking, Celebrating, Serving Together St. Andrew's Episcopal Church Church of the Transfiguration

St. Andrew's Episcopal Church, 211 Main Street in Lincoln Park and Church of the Transfiguration (9 Two Bridges Road) in Montville/Towaco are engaged in an innovative model for parish development and community outreach. Our Episcopal churches, about three miles apart, once served our respective local communities almost exclusively. But today we share what, in effect, is one larger community. So, rather than compete, or duplicate our efforts, we have joined together in a 'shared ministry'

project endorsed by the Episcopal Diocese of Newark. Both parishes are maintaining their facilities, including their nursery schools, and are seeking ways to strengthen their current programs while exploring new ways to share their strengths and resources. Perhaps the most obvious expression of this sharing at the moment is our shared Priest, the Rev. Dr. David Cabush, and our Music Director, Fran Morton.

Except for special occasions, individual worship schedules are maintained at both parishes. But, if you are looking for us on some occasion and we don't seem to be 'at home,' be sure that we are gathered at our partner church. We will do our best to keep the community informed, not only in regards to *what* we are doing but *where* we are doing it ... because *you* are always welcome to join us,

ALL WELCOME! If you need additional information, please call our church office at 973-694-9998.

Weekly Services: Sunday Worship 10:00 am: Our Sunday morning worship is a time for the entire family to come to church and be ministered to. There is a complete children's church program for infants thru 12 years of age. These programs are designed to make attending church both fun and educational for children while also allowing the parents the freedom to enjoy worshipping without any distractions. Our Sunday service consists of lively and inspirational music and the dynamic preaching of God's Holy Word, the Bible. There is also prayer for the sick and the belief that God is still able to do wonderful and miraculous things for his children today. Warning: these services have been known to change people's lives. You may leave them filled with the power of God, his unspeakable joy, a renewed sense of hope & faith, a better marriage, and a smile on your face. People may not recognize you.

Wednesday Bible Study 7:30 pm:

Our mid-week Bible study is a chance to learn and to ask questions about the word of God in a casual and informal setting. Coffee is available in this classroom setting. Detailed studies of biblical themes along with practical topics such as: marriages, the family, finances and dealing with emotional hurts are just some of the subjects that we openly discuss. There is a complete children's church program for infant thru 12 years of age every Wednesday.

The Bible is the most purchased book of all time; it is also the most unread book of all time. Most people claim to believe in the Bible yet have no idea what it says. Are your spiritual beliefs in line with the scriptures?

- Thursdays: 9:30 am Women connecting to Women Bible Study at the church

Every other month we have a ladies night, where our ladies come together for prayer and a time of fellowship. IMPORTANT INFORMATION

Telephone Notification: The Borough of Lincoln Park now has the capacity to provide notification to residents in the event of an emergency. This system was used throughout the Flood Watch and Warning. Messages are updated and give important information regarding the potential problems that may occur in a specific area. If you receive such a message, **do not hang up** until the message is over as this might cause the system to determine that the call was unsuccessful. Unsuccessful calls and/or calls picked up by voicemail will be repeated.

If you did not receive any calls and wish to be included, please call Verizon at 1-800-427-9977. There will be a series of prompts. Choose the one that says to make a change to your service. Once a representative comes on you should advise them that you need your phone number updated in the 911 databases. If you do not wish to use the prompts, press zero (0) until a representative picks up.

Siren Notification: Flood sirens are located throughout the Borough and are activated in affected areas as needed. Please note: a wavering siren means flood warning (move cars to higher ground and secure personal items); a continuous siren means Evacuation is Strongly Suggested. **(Please Note: Assisted Evacuations are limited to daylight hours unless it is an extreme emergency. Nighttime evacuations in inundated areas are dangerous to all involved.)**

Cablevision Channel 77: This is the Borough information channel and provides continually updated information on conditions throughout the borough. Please monitor this channel if you have cable TV service.

Information Hotline: During times of emergency this hotline is fully staffed. Volunteers manning the hotline have up to the minute information regarding the status of the emergency. This number is **973-694-0401**.
