August, 2010

Recently, Governor Christie and the NJ State Legislature reached a compromise agreement on capping the amount your property taxes may go up each year. The Governor was looking for a 2.5% hard cap without allowing any exceptions. The compromise reached will set a 2% increase limit on annual property tax increases. The compromise includes several exceptions to the cap such as pension and health benefit increases and costs associated with states of emergency.

Lincoln Park was one of the first to come out in support of the Governor's proposal. In fact, in a letter to the Governor before the legislative compromise, I wrote that Lincoln Park was going to set a 2.5% cap for next year's budget even if the legislature did not approve his proposal. Capping the amount property taxes may go up without voter approval is something that we need to help control costs and myself and the Borough Council have been and will be committed to doing just that.

Now that the cap is a reality, there are specific items that have been identified to help insure that the cap can be met on the municipal level. The items are the result of the Governor's initiatives as well as listening to the ideas of mayor's and other elected officials throughout the state. Legislative passing of these items is vital to making the 2% cap a reachable goal. These items have been referred to as the "Toolkit" with which the cap can be achieved.

The following are the items of the Governor's toolkit as proposed prior to the legislative compromise. I urge you to look through them. It is my belief that passage of each of these tools is essential to helping us on the municipal level meet the 2% requirement. If there are any you are particularly in favor or...or oppose...please contact our State Senator and Assemblymen and let them know your opinion.

Dave Runfeldt

GOVERNOR CHRISTIE'S 33 BILL TOOLKIT

Municipal and County Tool Kit

- 1) Constitutional amendment to impose a 2.5% cap on increases in the property tax levy increases for municipal, school and county taxes, cap banking is allowed.
- 2) Constitutional amendment to place a 2.5% cap on spending for State government operations (excluding state aid to municipalities and school districts and direct property tax relief); cap banking is allowed.
- 3) Reform in selection of arbitrators for union contracts.
- 4) Arbitrators are mandated to consider impact of union contracts on property taxes, no such requirement in current law.
- 5) Arbitrators are barred from making contract awards that exceed 2.5% cap, inclusive of all salary, benefit and other economic contract provisions
- 6) Pension benefit reform - eliminate eligibility for State retirement systems for non- government groups and associations.
- 7) Pension benefit reform - cap sick leave and carry forward of vacation for current employees.
- 8-9) Shared services reform - when local units decide to share services current law requires buy-out of union contracts, bumping and other civil service protections that destroy the efficiencies of the merger; this proposal eliminates certain civil services protections when services are shared. (2 bills required to amend different statutes).
- 10) Allow furloughs by local government to save costs.
- 11) Allow counties and municipalities to opt out of civil service municipalities by ordinance or referendum initiated by 15% of the voters.
- 12) Public employee discipline reform - reclassify many offenses as minor to avoid lengthy and costly hearings for relatively trivial infractions. *Continued on page 3*

Police News

Submitted by: Chief Tom Andrasik

Now that the end of the school year has finally arrived, the Lincoln Park Police Department wants to ensure that children and their parents practice safety measures during the summer break.

The following are some safety tips for both parents and children: With an average of around 250 traffic accidents a year in Lincoln Park, motorists should be mindful that there will be more pedestrians on the roadways. We expect more kids to be out walking. We want drivers to be aware of this and know that there are children who do not know the rules of the road and depend on motorists to be more careful. Please SLOW DOWN. Obey the posted speed limits.

Something we see on occasion is parents leaving their children and/or pets unattended in running vehicles or vehicles with the window cracked in the summer heat. This is a dangerous practice and one that the Police Department will strictly enforce. It may take a few minutes to take your child out of the car and into the store with you, but it is a much safer practice.

Children should also be warned not to open the door for strangers and should report any suspicious activity to their parents.

If children playing outside they should not climb trees with electrical wires running through them or fly kites during storms. Parents should also not let their children go swimming unattended.

Parents should also be cognizant of their children's activities when they are in the house. Internet activity should be monitored to make sure they are not visiting websites that are inappropriate or posting any damaging pictures or videos.

On another note, if your child wants to participate in a fun event, the Lincoln Park Police Department will once again be hosting its Junior Police Academy. It will be held during the week of August 16th for boys and girls between the ages of 11 and 14, who reside in Lincoln Park. Classes will be 9 AM - 3 PM at the Municipal Building. The objective for the week is education and fun. It will be a five-day curriculum which will include various presentations from local and guest law enforcement agencies and hands-on practices. If you have an interest, please pick up an application at the Police desk.

As always, if anyone should have any issues or concerns please feel free to contact me. I can be reached by calling the Police desk at 973-694-5533, or by email: tan-drasc@bolp.org.

You may leave them filled with the power of God, his unspeakable joy, a renewed sense of hope & faith, a better marriage, and a smile on your face. People may not recognize you.

Wednesday Bible Study 7:30 pm:

Our mid-week Bible study is a chance to learn and to ask questions about the word of God in a casual and informal setting. Coffee is available in this classroom setting. Detailed studies of biblical themes along with practical topics such as: marriages, the family, finances and dealing with emotional hurts are just some of the subjects that we openly discuss. There is a complete children's church program for infant thru 12 years of age every Wednesday.

The Bible is the most purchased book of all time; it is also the most unread book of all time. Most people claim to believe in the Bible yet have no idea what it says. Are your spiritual beliefs in line with the scriptures?

August, 2010

Dear Residents:

In December of 2006, The Governing Body of the Borough of Lincoln Park Amended Chapter 157 Peddling and Soliciting, of our Code Book.

Included in this Amendment is a provision for a "Non-Solicitation List" which reads as follows:

1. The Borough Clerk shall prepare and maintain a list of addresses of those premises where the owner and/or occupant has notified the Borough Clerk, in writing, that canvassing and soliciting is not permitted on the premises.
2. The Non-Solicitation list shall be updated by the Borough Clerk semi-annually, on January 1st, and July 1st of each year, based upon the non-solicitation notices received, and shall be supplied to all applicants for canvassing and soliciting permits, and any other person or organization requesting same.
3. The owner and/or occupant of premises identified on the non-solicitation list, upon registration therefore, may obtain a sign, placard or sticker from the Borough Clerk, which may be affixed to a front door, front window or front facing wall of the premises, and giving notice that canvassing and soliciting is not permitted on the premises."

If you wish your address to be placed on this Non-Solicitation List, please complete the lower portion of this letter and mail, e-mail or fax back to me at your earliest convenience. Once I have received your form, a decal for your front door or window will be sent to you advising solicitors that you are on the non-solicitation list. If you already have a "Do Not Solicit" sticker, there is no need to complete the form.

Yours truly,
BOROUGH OF LINCOLN PARK
