

**Mayor's Message**  
**June 2010**

---

It is with great sadness that I inform you of the passing of former Councilman Herman "Hy" Nadel. Councilman Nadel lost his courageous battle with a brain tumor on May 9<sup>th</sup>.

Hy had been a Lincoln Park resident since 1966. Along with his wife Lynn, the Nadels raised their two children, Mac and Rosalyn in the neighborhood he continued to live in until his passing. Hy served the public in many ways for many years and was always a champion for all that is good in our community.

Prior to his terms serving as councilman from Ward 1, Hy had been involved with creating a business association in town, was elected to the School Board and was a past president of the Lincoln Park Republican Club. While sitting on Council, he served on the Municipal Utilities Authority, the Two Bridges Sewer Authority and was the council liaison to the Lincoln Park Fire Department. Due to his need to focus on his health and his desire to make sure the residents of Ward 1 were adequately represented, Hy resigned his council seat on February 2<sup>nd</sup> of this year.

I have known Hy for most of my life. Thirty years ago, he along with my parents and several other Lincoln Park business owners were involved with the LP Business and Professional Association. This was among my first exposures to community service and politics. Other than my parents, Hy may have been the most influential person in my political upbringing. He was a sitting member of council when I served my first term as a councilman. He was always understanding, supportive and full of ideas. Hy served on countless committees and boards in dedicated service to the residents of Lincoln Park. He would always speak his mind and was not afraid to let his opinion be known. In short, Hy Nadel had all of the best qualities we can hope for in a public official. He will be missed by me and by the entire community he had been a part of for so long.
