*“Dedicated to Community Unity”*

June 2018

Dear Neighbors,

On Saturday, September 22<sup>nd</sup>, Lincoln Park’s Borough Field will come alive with music and entertainment, useful information on health and well-being, a flea market, food vendors to appeal to every taste, and amusements for young and old alike.

Lincoln Park Day – now more than 25 years old – is our annual celebration of community unity. It involves a broad cross-section of the Borough’s residents and businesses, and highlights many of the civic and volunteer organizations that help make our town more a more pleasant place to live.

The Lincoln Park Day Association is made up of volunteers who give willingly of their time and efforts. But this terrific annual event simply wouldn’t be possible without financial support from neighbors like you. **So we’re asking for your help.** There are many attractive sponsorship opportunities that will give your organization positive visibility *and* be enormously helpful in keeping this unique homegrown tradition alive and thriving.

More than anything, the vitality of any community depends on the active interest and involvement of its citizens. Without Lincoln Park Day, life in our Borough would be diminished in ways that can’t be measured by numbers alone. So we hope that you’ll participate in making Lincoln Park Day 2018 another great success for our entire community!

Sincerely,

Marianne Walker  
President

***PS Your generous support will boost the quality of life in Lincoln Park and will be a great investment in promoting your business!***
