Dear Friends,

You are invited to join us for Lincoln Park Day on September 28, 2019. The rain date is September 29, 2019. There will be some interesting changes to our celebration this year. We will be moving the Community Resources exhibits to Chapel Hill Rd. so all facets of the festival will be together. This will be challenging for set-up but the Municipal Field is not available this year.

- Check-in will be at the Train Station starting at 7 am and your space(s) need to be set up before 9am before the streets are closed.
- You will be given your space numbers at the Train station and volunteers will be available to direct you to your space.
- All vehicles must be removed to nearby parking as soon as unloading is finished.

Our celebration of community unity seems to get better every year, thanks to the creativity of our participants. We appreciate the time, effort and imagination that goes into all the exhibits, games and activities that make Community Resources the heart of Lincoln Park Day.

All non-profit organizations and local businesses are welcome to free spaces for public relations and promotional exhibits. Participants are encouraged to have an activity or game at their space. Fundraising is permitted, but must be approved by the Lincoln Park Day Association before the event. Retail sales are not permitted in this area of the festival.
