BOROUGH OF LINCOLN PARK DEPARTMENT OF RECREATION
LAKE DAYS - Swimming Consent Form
Kindergarten - 6th Grades

THIS FORM IS MANDATORY FOR ALL CAMPERS.
VERBAL AUTHORIZATION WILL NOT BE ACCEPTED.

I understand that the campers of the Lincoln Park Recreation Summer Camp will be visiting the LPCL, (Lincoln Park Community Lake), on designated days. Supervision will be provided by the camp directors, camp counselors and LPCL Lifeguards will be on duty during swim time. ALL campers, regardless of their swimming ability, are subject to a swim test at the beginning of the season. Campers will have the opportunity to enjoy the “water extras”, (such as slides, kayaks, and/or paddleboats, and water trampoline), with the appropriate written permission and provided they pass a swim test administered by the lifeguards. It is mandatory that children wear life vests when using the “water extras”.

I understand the Waiver & Consent, the Code of Conduct, and all other camp policies, apply to the Camp Lake Days.
