

## ATLANTIC HEALTH SENIOR SUPPORT PROGRAM

### Who qualifies:

- Those living in the communities served by Morristown Medical Center (Morris County and the outskirts)
- Patients who do not qualify for Medicare home care services because they are not homebound or do not have a need for nurse or a rehabilitation therapist

### Reason for referral:

- Psychosocial support/counseling, long term care planning
- Connect seniors with community based services in order to stay safely in their own homes
- Assistance with scheduling medical appointments and transportation
- Seniors with multiple medications, chronic illness, minimal support systems
- Those at high risk for re-hospitalization
- Improve overall health and quality of life

### How to refer:

- Tell the client about the program and make them aware that you will be referring them
- Call: (973) 379-8410
- Email: [michelle.summer@atlantichealth.org](mailto:michelle.summer@atlantichealth.org)
- Provide the clients name, demographics and what you feel the need is for the referral
